1517 Peter Marshall,2017 Did Martin Luther really post his 95 Theses to the Wittenberg Castle Church door in October 1517? Probably not, says Reformation historian Peter Marshall. But though the event might be mythic, it became one of the great defining episodes in Western history, a symbol of religious freedom of conscience which still shapes our world 500 years later.--Source : éditeur.

Brand Luther Andrew Pettegree,2015 A revolutionary look at Martin Luther, the Reformation, and the birth of publishing, on the eve of the Reformation's 500th anniversary When Martin Luther posted his theses on the door of the Wittenberg church in 1517, protesting corrupt practices, he was virtually unknown. Within months, his ideas spread across Germany, then all of Europe; within years, their author was not just famous, but infamous, responsible for catalyzing the violent wave of religious reform that would come to be known as the Protestant Reformation and engulfing Europe in decades of bloody war. Luther came of age with the printing press, and the path to glory of neither one was obvious to the casual observer of the time. Printing was, and is, a risky business--the questions were how to know how much to print and

how to get there before the competition. Pettegree illustrates Luther's great gifts not simply as a theologian, but as a communicator, indeed, as the world's first mass-media figure, its first brand. He recognized in printing the power of pamphlets, written in the colloquial German of everyday people, to win the battle of ideas. But that wasn't enough--not just words, but the medium itself was the message. Fatefully, Luther had a partner in the form of artist and businessman Lucas Cranach, who together with Wittenberg's printers created the distinctive look of Luther's pamphlets. Together, Luther and Cranach created a product that spread like wildfire--it was both incredibly successful and widely imitated. Soon Germany was overwhelmed by a blizzard of pamphlets, with Wittenberg at its heart; the Reformation itself would blaze on for more than a hundred years. Publishing in advance of the Reformation's 500th anniversary, Brand Luther fuses the history of religion, of printing, and of capitalism--the literal marketplace of ideas--into one enthralling story, revolutionizing our understanding of one of the pivotal figures and eras in human history.

Treaty Series 1628 United Nations Office of Legal Affairs,1995-12-31 In accordance with Article 102 of the Charter and the relevant General Assembly Resolutions, every treaty and international agreement registered or filed and recorded with the Secretariat since 1946 is published in the United Nations Treaty Series. At present, the collection includes about 30,000 treaties reproduced in their authentic languages, together with translations into English and French, as necessary. The Treaty Series, where treaties are published in the chronological order of registration, also provides details about their subsequent history (i.e., participation in a treaty, reservations, amendments, termination, etc.). Comprehensive Indices covering 50-volume-lots are published separately.
